COMMENTS:

This bill would allow the governing body of a city, county, or city and county to apply to the Trade and Commerce Agency (TCA) to reconfigure the geographic boundaries of an existing enterprise zone within its jurisdiction. The bill specifies that the reconfigured area shall have contiguous boundaries.

This bill would specify that no reconfiguration would have the effect of removing a business from an enterprise zone.

The August 14, 2000, amendment added language restricting reconfiguration of an enterprise zone to those within a county with an unemployment rate of at least 1.75 times the state average.

The August 14, 2000, amendment did not impact the department's prior analysis of the bill. The department's analysis of AB 51 as amended August 8, 2000, still applies.
